NOTE: This is NOT an application for employment – it is an application to establish ELIGIBILITY

PURPOSE OF THE PROGRAM:

The iCanWork and the Ontario Work-Study Program (OWSP) provide part-time, on-campus employment to students whose financial needs have not been fully met by the Ontario Student Assistance Program (OSAP).

Work-Study is not intended to replace OSAP or provide emergency funding; it is to act as a supplement to other larger resources.

STUDENT ELIGIBILITY CRITERIA:

Eligibility for the program does not mean a job is guaranteed!

Students cannot hold more than one position SIMULTANEOUSLY in any given academic year.

To be CONSIDERED for participation in Work-Study, a student must:

- ❶ Have applied for OSAP for this academic year.
- ❷ Be an Ontario resident as defined by OSAP.
- ❸ Be enrolled for the Fall/Winter term at Canadore College.
- ❹ Be in good academic standing.
- ❺ Have unmet financial need with which the program can reasonably assist, beyond OSAP & other available resources.

HOURS OF WORK:

Students are not scheduled for more than 10 hours per week between September 2010 and April 2011 and the **maximum earnings possible for the academic year is \$2,000**. All Ontario Work Study students must maintain registration in at least 60% of a full course load in both terms, or 40% if registered with the AccessAbility office. It is the responsibility of the student to inform the Financial Aid Office if he/she drops below these levels.

APPROVALS:

Your application will be reviewed and you will be notified of your eligibility status via your Canadore e-mail account within 1 week. Once you receive this confirmation, attach a copy of it to your resume and submit it to the supervisor listed on the job posting(s) you are interested in.

APPLICATION REQUIREMENTS:

A detailed explanatory letter **MUST** be attached to this application if any of the following situations apply to your financial aid information:

- 1. Your OSAP entitlement is \$0.
- 2. There are special circumstances that limit the support provided by your family or spouse.
- 3. There has been a sudden change in your individual or family situation.

Students who apply and are refused by OSAP can apply for Work-Study, but are expected to demonstrate a serious financial need with which the Work Study program can reasonably assist. Students must provide an explanation as to why the assumed resources are unavailable.

Complete the budget (Section 5) for the study period beginning the first week of classes and ending the last week of exams. Students registered for only one term should estimate for four months of expenses.

Married students should indicate total spousal income (after compulsory deductions) for eight months under "Family Contribution" on the budget form. Total family expenses should be provided.
